CLUB WOMEN DINE

The Business and Professional Women's club of Ukiah held the first dinner meeting for December Thursday at 6:30 o'clock in the Canton room of the Palace hotel. Mrs. Mark Carpenter presided. Following the dinner a delightful informal program provided entertainment. The offerings were a vocal solo by Miss Edna Byres with Miss Geraldine Wilson at the piano; a community sing with Mrs. Thelma Saari pianist. There were clever popular songs, transposed to suit the occasion by Mrs. Saari, who presented a Christmas package. The singing was followed by a spelling bee and puzzle contest, which provided much fun. The dinner table was conveniently arranged with one long table seating the officers committee and performers and three smaller ones for the members. Red carnations and red candles formed a simple but beautiful decoration for the tables, while the room was gay in evergreen garlands and toyon berries. The committee of arrangements included Mrs. A. A. Smith, Mrs. Mark Carpenter and Mrs. Ardis Roberts. Guests were Mrs. Esther Michelson, Mrs. A. Pioda and Miss Wilson. The final dinner meeting of the year will be held Thursday evening, December 17, when each member will be required to bring a Christmas package of food, which will be given to the emergency relief committee of the city for Christmas baskets. The committee in charge of the Christmas party includes Mrs. Edward Porter, Mrs. Teresa Ray and Mrs. S. Jung.

UKIAH GRANGE

More than 150 persons shared in the annual harvest feast of the Ukiah Grange held Friday evening at Boring hall. Chicken pie was featured on the menu. A horn of plenty, overflowing with fruits and vegetables, adorned the center of the long tables. Toyon berries were used profusely to decorate the setting. Following the feast the third and fourth degrees were conferred on a class of four, including Mrs. Ida Romei Mrs. O. G. Harpe of Hopland, Carroll Weeks and William H. Pullen. Community singing, led by W. K. Davis, with Mrs. Bert Thomas at the piano, opened the program. Other numbers were selections by a male quartet composed of W. K. Davis, Wayne P. Burke, Orval Archer and Elmer Purdy, with Miss Dorothy Davis as accompanist; a reading by Mrs. H. L. Crouch, and a playlet, "Achievement Day" with the following cast of characters: Mrs. J. E. RECALLS PIONEER DAYS

The dinner meeting of the 20-30 club Wednesday evening in the Rose room of the Palace hotel was featured by a series of reminiscenses of early Ukiah days, told by Mack Howard, pioneer resident and member of one of Ukiah's pioneer families. Sunnyvale Jeweler's Services Needed Here

Edgar Smith, of Sunnyvale, is here a few days to assist his father, local jeweler, who is making many improvements since the opening of his new jewelry store in the former J. H. Martenson store in West Standley street. So popular has the "get-acquainted" sale of the Smith store been it was necessary for the son, also a jeweler and proprietor of a jewelry store at Sunnyvale, to "help out" for a few days, after this he will return home to conduct a big pre-holiday sale.

[illegible] last week. During his absence his son, Lester Overaa, is superintending the work.

Orchard School, Lyle Rawles Stout teacher, closes this week for a vacation that extends into February. School commenced the first Monday in July so has earned a holiday. Friday the scholars had their Christmas tree and ended school in proper style.

Little Boy Very Ill.

Jimmy Babcock, son of Mr. and Mrs. D. E. Babcock, is confined to his bed with a very bad cold and it is feared he is developing pneumonia.

Two Stores Were Robbed.

Twice within the past five days a business house at Boonville has been entered and robbed. The night of November 25 Boonville Lodge, owned by Mrs. H. C. Lycky, had the cash register removed through a side window from which the screen had been cut. The window was raised by someone standing on a box. The robber was able to reach the register and it was carried across the street and rifled in the woodshed of H. J. June. Checks and other papers were left but about $40 in currency and silver was taken. Mr. and Mrs. Lycky were in Los Angeles at the time. The place was in charge of Mrs. Lycky's mother, Mrs. Cable. The night of November 30 the back door of Ferrell's Hardware Store was jimmied and the glass in an inner door broken. By reaching through the key, which had been left in the door was operated to get in. A small amount of change left in the register was taken including even the pennies, two leather coats, high rubber boots, several packages of cigarettes, 410 shotgun shells and some pocket knives are known to have been stolen. This is the third time Mr. Ferrell's store has been robbed within a few years. Sheriff E. L. Williams was notified and has had officers working on the case.

Popular Girl Is Married.

Wedding bells that came as a surprise to friends here were rung in Reno recently for Ray Eubanks and Miss Katherine Prather, daughter of Mr. and Mrs. C. S. Prather, of this valley. Miss Prather passed last week in San Francisco with relatives and supposedly left Sunday for her home here, but a telegram apprised her family of the fact she had motored to Reno instead. Mrs. Eubanks is a graduate of the local high school and last year attended Junior College at Santa Rosa. She is one of Anderson Valley's most popular young ladies. Mr. Eubank has been in the employ of the Northwestern Pacific Railroad several years and was recently transferred to the offices in Sausalito where the newlyweds have taken an apartment. Mr. and Mrs. Eubanks have the sincere wishes of friends here for a happy future.

Observed The Feast Day.

Mr. and Mrs. G. E. Clow entertained 20 relatives and friends at a Thanksgiving dinner.

Mr. and Mrs. Robert Gleason and Mr. and Mrs. C. T. Ingram were Berkeley visitors last week-end.

Victim Of Spinal Meningitis.

The infant daughter of Mr. and Mrs. Clarence Morrison, who has been ill several months with spinal meningitis, passed away at Lane Hospital, San Francisco, and the body was brought here for burial in Evergreen Cemetery in the Boyd lot. Rev. J. T. Hedgpeth officiated and services were in the M. E. Church, Boonville. Mrs. James returned to Susanville with her daughter, Mrs. Morrison, for a two weeks' stay.

Parched or toasted? No, sir!

CAMELS *are* FRESH!

THE bedrock of Camel popularity is the inherently fine quality of the tobaccos that go into our cigarette.

These tobaccos are notably mild, full-mellow, delicately flavored by nature—the finest Turkish and mild, sun-ripened Domestic tobaccos that money can buy.

To safeguard the essential goodness of these fine tobaccos we exercise every care to conserve their natural moisture and natural flavors.

They are never parched or toasted—the Reynolds method of scientifically applying heat guarantees against that.

That's why we say Camels are *made* fresh to start with—and why the Camel Humidor Pack can bring them *fresh* to you, in prime smoking condition.

If you want to know what a blessing that means in unalloyed smoke-enjoyment, switch to Camels for just one day—then leave them—if you can.
